"(a) Notwithstanding section 709(d) of title 32, United States Code, a person who, on the date of enactment of this Act [Aug. 13, 1968], is employed under section 709 of title 32, United States Code, and is covered by an employee retirement system of, or plan sponsored by, a State or the Commonwealth of Puerto Rico, may elect, not later than the effective date of this Act [see Effective Date note above], not to be covered by subchapter III of chapter 83 of title 5, United States Code, and with the consent of the State concerned or Commonwealth of Puerto Rico, to remain covered by the employee retirement system of, or plan sponsored by, that State or the Commonwealth of Puerto Rico. Unless such an election, together with a statement of approval by the State concerned or the Commonwealth of Puerto Rico, is filed with the Secretary of the Army or the Secretary of the Air Force, as appropriate, on or before the effective date of this Act, the person concerned is covered by subchapter III of chapter 83 of title 5, United States Code, as of that date.

In fixing such rate—

"(1) If the technician is receiving a rate of basic compensation which is less than the minimum rate of the appropriate grade of the General Schedule, or which is less than the minimum rate of the appropriate grade or compensation level of the appropriate prevailing rate schedule, as applicable, in which his position is placed, his basic compensation shall be increased to that minimum rate.

"(2) If the technician is receiving a rate of basic compensation which is equal to a rate of the appropriate grade of the General Schedule, or which is equal to a rate of the appropriate grade or compensation level under the appropriate prevailing rate schedule, as applicable, in which his position is placed, he shall receive basic compensation at that rate of the General Schedule, or at that rate under the prevailing rate schedule, as applicable.

"(3) If the technician is receiving a rate of basic compensation which is between two rates of the appropriate grade of the General Schedule, or which is between two rates of the appropriate grade or compensation level under the appropriate prevailing rate schedule, as applicable, in which his position is placed, he shall receive basic compensation at the higher of those two rates under the General Schedule or appropriate prevailing rate schedule, as applicable.

but, when any such position becomes vacant, the rate of basic compensation of any subsequent appointee thereto shall be fixed in the manner provided by applicable law and regulation.

“(b) The conversion of positions and employees to appropriate grades of the General Schedule set forth in section 5332 of title 5, United States Code, and the initial adjustment of rates of basic compensation of those positions and technicians, provided for by this Act [see Short Title note above], shall not be considered to be transfers or promotions within the meaning of section 5334(b) of title 5, United States Code, and the regulations issued thereunder.

“(c) Each technician on the effective date of this Act [see Effective Date note above], whose position is converted to the General Schedule set forth in section 5332 of title 5, United States Code, or to the appropriate prevailing rate schedule, as applicable, who prior to the initial adjustment of his rate of basic compensation under subsection (a) of this section, has earned, but has not been credited with, an increase in that rate, shall be granted credit for such increase before his rate of basic compensation is initially adjusted under that subsection.

“(d) Each technician on the effective date of this Act whose position is converted to the General Schedule set forth in section 5332 of title 5, United States Code, or to the appropriate prevailing rate schedule, as applicable, shall be granted credit, for purposes of his first step increase under the General Schedule or prevailing rate schedule, for all satisfactory service performed by him since his last increase in compensation prior to the initial adjustment of his rate of basic compensation under subsection (a) of this section.

“(e) An increase in rate of basic compensation by reason of the enactment of subsection (a) of this section shall not be considered to be an equivalent increase with respect to step increases for technicians whose positions are converted to the General Schedule set forth in section 5332 of title 5, United States Code, or the appropriate prevailing rate schedule under authority of this section.”

§ 710. Accountability for property issued to the National Guard

(a) All military property issued by the United States to the National Guard remains the property of the United States.

(b) The Secretary of the Army shall prescribe regulations for accounting for property issued by the United States to the Army National Guard and for the fixing of responsibility for that property. The Secretary of the Air Force shall prescribe regulations for accounting for property issued by the United States to the Air National Guard and for the fixing of responsibility for that property. So far as practicable, regulations prescribed under this section shall be uniform among the components of each service.

(c) Under regulations prescribed by the Secretary concerned under subsection (b), liability for the value of property issued by the United States to the National Guard that is lost, damaged, or destroyed may be charged (1) to a member of the Army National Guard or the Air National Guard when in similar circumstances a member of the Army or Air Force serving on active duty would be so charged, or (2) to a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands when the property is lost, damaged, or destroyed incident to duty directed pursuant to the laws of, and in support of the authorities of, such jurisdiction. Liability charged to a member of the Army National Guard or the Air National Guard shall be paid out of pay due to the member for duties performed as a member of the National Guard, unless the Secretary concerned shall for good cause remit or cancel that liability. Liability charged to a State, the Commonwealth of

Puerto Rico, the District of Columbia, Guam, or the Virgin Islands shall be paid from its funds or from any other non-Federal funds.

(d) If property surveyed under this section is found to be unserviceable or unsuitable, the Secretary concerned or his designated representative shall direct its disposition by sale or otherwise. The proceeds of the following under this subsection shall be deposited in the Treasury under section 4(b)(22) of the Permanent Appropriation Repeal Act, 1934:

(1) A sale.

(2) A stoppage against a member of the National Guard.

(3) A collection from a person, or from a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, to reimburse the United States for the loss or destruction of, or damage to, the property.

(e) If a State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, whichever is concerned, neglects or refuses to pay for the loss or destruction of, or damage to, property charged against it under subsection (c), the Secretary concerned may bar it from receiving any part of appropriations for the Army National Guard or the Air National Guard, as the case may be, until the payment is made.

(f)(1) Instead of the procedure prescribed by subsections (b), (c), and (d), property issued to the National Guard that becomes unserviceable through fair wear and tear in service may, under regulations to be prescribed by the Secretary concerned, be sold or otherwise disposed of after an inspection, and a finding of unserviceability because of that wear and tear, by a commissioned officer designated by the Secretary. The State, the Commonwealth of Puerto Rico, the District of Columbia, Guam, or the Virgin Islands, whichever is concerned, is relieved of accountability for that property.

(2) In designating an officer to conduct inspections and make findings for purposes of paragraph (1), the Secretary concerned shall designate—

(A) in the case of the Army National Guard, a commissioned officer of the Regular Army or a commissioned officer of the Army National Guard who is also a commissioned officer of the Army National Guard of the United States; and

(B) in the case of the Air National Guard, a commissioned officer of the Regular Air Force or a commissioned officer of the Air National Guard who is also a commissioned officer of the Air National Guard of the United States.

§ 715. Property loss; personal injury or death: activities under certain sections of this title

(a) Under such regulations as the Secretary of the Army or Secretary of the Air Force may prescribe, he or, subject to appeal to him, the Judge Advocate General of the armed force under his jurisdiction, if designated by him, may settle and pay in an amount not more than \$100,000 a claim against the United States for—

(1) damage to, or loss of, real property, including damage or loss incident to use and occupancy;

(2) damage to, or loss of, personal property, including property bailed to the United States or the National Guard and including registered or insured mail damaged, lost, or destroyed by a criminal act while in the possession of the National Guard; or

(3) personal injury or death; either caused by a member of the Army National Guard or the Air National Guard, as the case may be, while engaged in training or duty under section 316, 502, 503, 504, or 505 of this title or any other provision of law for which he is entitled to pay under section 206 of title 37, or for which he has waived that pay, and acting within the scope of his employment; or otherwise incident to noncombat activities of the Army National Guard or the Air National Guard, as the case may be, under one of those sections.

(2) it is not covered by section 2734 of title 10 or section 2672 of title 28;

(3) it is not for personal injury or death of such a member or a person employed under section 709 of this title, whose injury or death is incident to his service;

(5) it is substantiated as prescribed in regulations of the Secretary concerned.

For the purposes of clause (1), the dates of the beginning and end of an armed conflict are the dates established by concurrent resolution of Congress or by a determination of the President.

(c) Payment may not be made under this section for reimbursement for medical, hospital, or burial services furnished at the expense of the United States or of any State or the District of Columbia or Puerto Rico.

(d) If the Secretary concerned considers that a claim in excess of \$100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant \$100,000 and report any meritorious amount in excess of \$100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(g) Notwithstanding any other provision of law, the settlement of a claim under this section is final and conclusive.

(h) In this section, “settle” means consider, ascertain, adjust, determine, and dispose of a claim, whether by full or partial allowance or disallowance.
